- INVESTMENT INVOLVES RISKS. Past performance is not indicative of future results.
- The Fund may invest up to 100% of its NAV in mortgage related securities, including mortgage-backed securities (MBS) and "To Be Announced" securities (TBAs), which can involve material additional risks, e.g. counterparty default risk, and may expose the Fund to significant losses.
- Investors should read and understand the Fund's most current offering document, including details of risk factors relevant to the Fund and, in particular, the risk of investment in mortgage related securities, before making an investment in the Fund.
- An investment in the Fund may not be suitable for all investors. The investment decision is yours but you should not invest in the Fund unless the intermediary who sells it to you has advised you that it is suitable for you and has explained why, including how buying it would be consistent with your investment objectives.
