

Legg Mason Brandywine Global Fixed Income Fund

Standard & Poor's Fund Management Rating² **A^{v4}**

SUB-INVESTMENT MANAGER

Brandywine Global Investment Management

ABOUT THE FUND

The Fund seeks to maximise total return through capital appreciation and income by investing at least two-thirds of its Total Asset Value in investment grade debt securities denominated in the currencies of, or issuers located primarily in developed countries around the world. The Sub-Investment Manager will concentrate investments in undervalued markets that provide the best opportunity for declining interest rates and a return to lower real rates over time.

■ INVESTMENT INVOLVES RISKS. Past performance is not indicative of future results.

■ The Fund may invest up to 100% of its NAV in mortgage related securities, including mortgage-backed securities (MBS), stripped securities and asset-backed securities (ABS), which can involve material additional risks, e.g. counterparty default risk, and may expose the Fund to significant losses.

■ Investors should read and understand the Fund's most current offering document, including details of risk factors relevant to the Fund and, in particular, the risk of investments in the securities of emerging markets issuers, MBS, stripped securities, ABS and derivatives, before making an investment in the Fund.

■ An investment in the Fund may not be suitable for all investors. The investment decision is yours but you should not invest in the Fund unless the intermediary who sells it to you has advised you that it is suitable for you and has explained why, including how buying it would be consistent with your investment objectives.
