- INVESTMENT INVOLVES RISKS. Past performance is not indicative of future results.
- The Fund may invest in a single country which may give rise to increased risk over more diversified funds.
- Investors should read and understand the Fund's most current offering document, including details of risk factors relevant to the Fund, in particular, the risk of investment in mortgage backed securities, asset backed securities and derivatives, before making an investment in the Fund.
- An investment in the Fund may not be suitable for all investors and should not constitute a substantial proportion of an investment portfolio. The investment decision is yours but you should not invest in the Fund unless the intermediary who sells it to you has advised you that it is suitable for you and has explained why, including how buying it would be consistent with your investment objectives.
